Far, far away in an old, old land
stood a haunted castle that was
really grand!

The ghosties who lived there
were cruel as snakes!
When they went a-haunting,
they played for high stakes!

They kidnapped a Princess,
and stuck her up high.
She had little to do there
but wail and cry.

Super Pac-Man heard her,
and came on the double,
with plans to save her
from sorrow and trouble!

He grabbed the ghosties
right on the spot.
They begged him to free them:
He said, "I will knot!!!"

...**S**o knot them he did,
and the Princess climbed out,
leaving those ghosties
to mutter and pout!

As is usually the case,
with life, love and laughter--
The Princess and Super Pac-Man
lived happily thereafter!
